DESCRIPTION

Are you looking for practical and new accommodation in the authentic centre of Moraira, then this is your chance to choose two or three-bedroom apartments. The materials used are of good quality and ensure easy maintenance. There are also parking spaces with or without storage in the same building to be able to park your vehicle or store goods. The ground floor is suitable for shops or offices. Two-bedroom apartments are available on the first floor. On the second floor, there are only three-bedroom apartments. On the top floor, you can decide between two and three bedrooms, two of which have a terrace. Too many possibilities and qualities to keep the description short. If you are interested, make an appointment with us without obligation.
