DESCRIPTION

This charming town house in Teulada is a jewel of Mediterranean style. With 4 bedrooms and 2 full bathrooms, it is perfect for a family or as an investment. The heart of the house is its large kitchen and living room, where you can enjoy long after dinner and relaxing moments. But what really makes this house stand out is its style. The wooden beams over 300 years old are a true work of art and add a rustic and authentic touch to the property. The terracotta floors are another characteristic element of the area, and add a feeling of warmth and comfort to the house. In short, this town house is a true jewel of the Mediterranean, with an authentic and charming style that makes it unique. If you are looking for a house with character and charm, this is definitely an option to consider.
